

Hancock Chamber Education Committee
 is seeking Volunteers & Sponsors
 for its **Bookworms Reading Program**

Bookworms is a program sponsored by the Hancock Chamber Education Committee that:

- Purchases and reads books to every 1st and 3rd grade classroom in our Hancock County schools (almost 50 classrooms and over 1000 students benefit).
- Donates the books to the class so the books can be enjoyed in their classroom libraries.
- This year, we will expand the program to provide a book to each 5th grade classroom library. This will add about 19 classrooms and about 300 students to the program.

I would like to be a reader (Please sign up by December 31st to be a reader.)
 A Bookworms Reader reads to a specific classroom 3 - 4 times between the months of February and May. You will be able to coordinate the best dates and times with the teacher. The kids love the interaction with someone outside their family and classroom. They don't care if you mess up or stumble over a word, so don't be intimidated. And, training is available. Books are read in the 1st and 3rd grade classrooms; not the 5th grade classrooms.

The theme of this year's reading program will be **AWARD WINNING BOOKS (including Newbery & Caldecott Award winners).**
