WHEREAS, on March 13, 2020, the President of the United States declared a national emergency due to the coronavirus (COVID-19) pandemic and the Governor of the State of Mississippi issued a similar declaration of emergency on March 14, 2020; and

WHEREAS, on March 16, 2020, the Mayor of the City of Bay St. Louis, Mississippi, pursuant to Miss. Code Ann. § 45-17-3, et seq. and Miss. Code Ann. § 33-15-17, et seq., issued a "Proclamation of Existence of a Local Emergency" which was ratified by the Bay St. Louis City Council on March 17, 2020; and

WHEREAS, COVID-19 is a disease that can result in severe illness or death and can easily spread from person to person, and which is caused by a new strain of coronavirus that had not previously been identified in humans; and

WHEREAS, heretofore Federal, State, and Local Authorities have continually impressed upon the public the importance of heeding the guidance of the Centers for Disease Control and Prevention (CDC), state departments of health, and the President concerning steps necessary to stop the spread of this outbreak, which has now been turned into a pandemic, one of the most significant of which is the need to "social distance" ourselves from others in all places, including in the public; and

WHEREAS, authorities have previously advised the citizens of the State of Mississippi to practice social distancing measures and to avoid large gatherings; and

WHEREAS, on March 16, 2020, the President of the United States recommended the avoidance of gatherings of more than ten (10) people; and

WHEREAS, unfortunately there are many in our communities who have refused to follow or otherwise ignored this guidance and promulgated aids in maintaining social distancing and who have persisted to congregate in the public, including at places of business, all of which have and, if permitted to continue, will contribute to and promote the spread of this disease and prolific exposure of our citizens to this emergent threat to public health and safety; and

WHEREAS, in an effort to curtail the lack of civic responsibility, to prevent the spread of this disease, and in an effort to curb the growth of cases of affected persons and conditions, authorities across the country are taking extraordinary measures to limit and inhibit close personal contact in the community through the issuance of orders and enactment of legislation, many of which have restricted access to areas that are routinely used for gatherings of people; and

WHEREAS, the Mississippi Department of Health ("MDOH") has reported that as of March 19, 2020, there were eighty (80) positive cases of coronavirus in the State of Mississippi, including three

(3) in Hancock County, Mississippi, where the City of Bay St. Louis is located; and

WHEREAS, as of March 19, 2020, the MDOH reported one death related to COVID-19, which was in Hancock County, Mississippi; and

WHEREAS, the City of Bay St. Louis and its citizens do not have the luxury of a "wait-and-see" approach to the coronavirus pandemic and, trends across the world have demonstrated that such an approach is costly in terms of public health, including an increase in deaths; and

WHEREAS, as of March 20, 2020, the MDOH recommends that all restaurants and bars suspend dine-in services immediately and that various social and public events be limited or preferably canceled; and

WHEREAS, a burn ban is needed to protect the health, safety, and welfare of our citizens and to protect the public peace while saving and preserving lives; and

WHEREAS, immediate extraordinary measures related to the prevention of the spread of the coronavirus are necessary and required to protect the health, safety, and welfare of our citizens and to protect the public peace while saving and preserving lives; and

WHEREAS, to comply with the directives and guidelines of the CDC and the MDOH, as well as the President of the United States, as part of an immediate effort to thwart the spread of this disease and to safeguard the health and safety of the public, including City employees, public entrances to all municipal buildings and facilities will be closed to the public as of 6:00 p.m. on Saturday, March 21, 2020, and shall not re-open until further notice, with the understanding that the public can contact and perform business with City officials and employees through non-face-to-face contact by utilizing telephone, e-mail, drive thru service (where available), and written communications (regular U. S. Mail, etc.) during this period of time; and

WHEREAS, in furtherance of these efforts and interests, all public parks should be closed to gatherings of individuals in excess of ten (10) persons, such to be effective immediately, until further notice; and

WHEREAS, the Jimmy Rutherford Fishing Pier should be closed effective immediately; and

WHEREAS, in further promotion of these efforts and interests, certain events and gatherings of individuals in excess of ten (10) persons, shall be temporarily curtailed.

THEREFORE, pursuant to the authority vested in me by Mississippi Law, including, but not limited to, Miss. Code Ann. § 21-9-3. and Miss.
